MONTHLY NEWLETTER
November 2009

President's Corner: I would like to thank those Club members who came out on clean up day to tidy up the club. Old pistol shooting gongs were replaced with new ones and painted. Rifle/pistol target stands were replaced and general cleanup done. Two large trees were removed next to the clubhouse that was in danger of losing some large limbs that could have some damaging effect on the clubhouse. Final mowing and trimming were completed for the year and skeet houses were cleaned and fully stocked with birds. A few projects were postponed until spring. Building of a covered patio and the construction of another trap house on the west field, along with building 3 additional shooting platforms for the 5-stand area were set aside for a later date. (Pat Kendrick 337-1477)

Annual Meeting: The Annual BSC Meeting will be held Tuesday December 8th (7:00 PM), at the Town & Country Christian Church, 616 NE Washington Blvd, Bartlesville (North 75 across from the Phillips station / next to the Bartlesville Masonic Lodge).

BSC Elections: Elections for board members will be held at the BSC annual meeting December 8th. The officers and the Board members served as the 2008 board members, with the exception of Jim Spradlin and Mike Proctor. Jim has decided not to seek re-election to the Board and Mike is running for Jim's position on the Board. Following is a list of members that are running for the Board of Directors:

Officers:

Kendrick, Pat (President)
Sielsky, Troy (Vice President)
Simon, Joe (Secretary)
Crume, Debbie (Treasurer)

Board Members:

Archer, Jack
Barnes, Alan
Beeman, Ben
Keith Calmes
Freeland, Jeff
Hughes, Nick
McClintock, Mike
Pierce, Billy
Proctor, Mike

There were no other club members that expressed an interest in running for the Board or as an Officer.

New Shotgun Shooting League: A shooting league is being planned that will consist of Trap, Skeet, and 5 Stand. The league will be held on Wednesday evenings beginning at 6:00 PM. League members will shoot 50 rounds for one discipline per evening. Official rules have not been finalized. If you are interested in joining the league, there will be a sign-up sheet posted in the clubhouse. If you have any specific questions, please call Mike McClintock at 534-9961.

Halloween Zombie Shoot: The Halloween Zombie Shoot was an outstanding success. There were a total of 6 shooters that participated in the event and all had an amazing time. There were 4 stages of fire that included up to 30 targets, some of them moving, from 3 yards all the way to 100 yards. The match participants were required to move from shooting location to shooting location and accurately engage each target while being timed. The score was composed by adding your run time plus any penalties you received

and then subtracting your score. This required the participants to find a balance between accuracy and speed. After the match I received many recommendations on improvements for the next match. All of these recommendations are being considered as I plan for a future event. The most common rifle was the AR-15 in a few different configurations and there were many different pistols used like Glocks, Smith & Wesson, and Springfield Armory XD series. Everyone had a great time and there was a very laid back atmosphere throughout the event. Everyone helped in scoring and range reset and this was a big factor in the overall success of this event. I also want to thank all the club members that came out to help and did not shoot in the match. Without them this match would have not ran as smooth as it did. In addition, special thanks go out to Dillon Reese for coordinating this event and also to Pat Kendrick and Keith Calmes for assisting with the shoot. The top winners were Brandon Shofner(1st), Tyrel Slagle(2nd), and Daniel (3rd), James Jusstas(4th), Dillon Reese(5th) and Doug Boone(6th). I look forward to seeing you all at the next match.....CHEERS, Brandon Shofner
